Experiencing Architecture, second edition: Rasmussen ...

Experiencing Architecture, 2nd Edition In spite of it's age the book is still like a bible for people interested in architecture and used a lot in education. The language is not too complicated, its not too technical and there are a lot of simple but good illustrations. This book was required reading for my introductory class on architecture.

[PDF] Experiencing Architecture

I was recommended 'Experiencing Architecture' by an architect, and I was hesitant to grab it because of my lack of knowledge on the field. I can now say that this book is an essential for art lovers, and you will understand why shortly after having started reading the preface.
