With Ford's complete lack of competent customer service, design flaws and poor quality control, I would avoid Ford Transits at all costs. We have a 2015 Ford Transit 3500 extra long and extra tall with nothing but problems. It's spent about as much time at the dealership as it has in service. Here's a quick rundown of the issues:

Beware of Ford Transit - major issues | TruckMount Forums ...

A major facelift to the Transit in 1994 gave the Transit a new nose and dashboard, along with the 2.0 L DOHC 8-valve engine as found in the 1993 to 1998 Ford Scorpio. It is similar to the earlier Sierra DOHC unit but without the distributor and uses the updated OBD II -compliant EEC-V level engine control unit .
