Please read the descriptions and look at the diagrams below. What type of society is Britain today - which diagram comes closest?;

'What type of society is Britain today?': Lay perceptions ...

Historically, British society has been defined by a clearly demarcated system of social classes. In the medieval period, this was characterised by a feudal system of landowners and serfs (Bloch, 2014); in the early modern period the courtly aristocratic model defined the British class system, and this morphed in the last two centuries to form the traditional tripartite model of the working ...

Is Modern Britain still a Class Society?

The British Monarchy is known as a constitutional monarchy. This means that, while The Sovereign is Head of State, the ability to make and pass legislation resides with an elected Parliament. Although The Sovereign no longer has a political or executive role, he or she continues to play an important part in the life of the nation.

The role of the Monarchy | The Royal Family
