I started treatment with Dr Khan in the spring of this year. Seemed to go okay. At first, I felt that he was sincerely interested in my mental health issues. Wasn't long until I began to see that he is very fond of prescribing. Antidepressants, stimulants, sedatives, pills for this mood and pills for that mood.

Specialists - L.M. Khan

In Xanadu did Kubla Khan . A stately pleasure-dome decree. Hello, ... Some people think that it might have been Coleridge's doctor, who was prescribing him the opium in the first place. That'd be a bit ironic. Some people think that Coleridge just made the whole thing up. It's like, 'Oh, yeah, my essay is going to be 10 pages long.
