Snapper Grass Catchers - Jacks Small Engines

The first riding lawn mower I ever used was one of those Snapper rear engine riding mowers. These rear engine riding mowers were some of the most popular back when I was growing up and mowing my family's lawn. These were old school machines that were much better than the push type that made for a long day mowing. Trust me, I have used both.

Old School Snapper Rear Engine Riding Mowers ...

The world famous Snapper "Classic" rider is back by popular demand. With it's low centre of gravity and pivoting frame the RER100 adapts easily to your lawn contours. Whether you want to side discharge your clippings or mulch, the Hi Vac® mower deck together with the included Ninja® mulching blade guarantees a
