The Altreian Enigma Rho Agenda

The Altreian Enigma, the second book in the Rho Assimilation Trilogy and the 8th Book in Phillips' Rho/Ripper Universe. I've read each and every novel in this terrific series. This one takes place on three worlds, alternating between the major characters. It begins immediately after the first book and takes us to a completed end.

The Rho Agenda, series that set up this series of books was very good. However, this time round the story has fell into a cycle of Gung Ho egotism for the characters. Also, some parts of the story feel like I'm reading the "John Carter of Mars" books. While other bits don't really have a reason to be included, other than to pad out the book.
