Newman Reader - Idea of University

A university (Latin: universitas, "a whole") is an institution of higher (or tertiary) education and research, which awards academic degrees in various academic disciplines.Universities typically provide undergraduate education and postgraduate education.. The word university is derived from the Latin universitas magistrorum et scholarium, which roughly means "community of teachers and scholars".

University - Wikipedia

"A university training is the great ordinary means to a great but ordinary end; it aims at raising the intellectual tone of society...It is the education which gives a man a clear conscious view of his own opinions and judgments, a truth in developing them, an eloquence in expressing them and a force in urging them."

Writing an academic essay means fashioning a coherent set of ideas into an argument. Because essays are essentially linear—they offer one idea at a time—they must present their ideas in the order that makes most sense to a reader. Successfully structuring an essay means attending to a reader's logic.

Essay Structure - Harvard College Writing Center

The idea of a virtual university as an institution that used computers and telecommunications instead of buildings and transport to bring students and teachers together for university courses was first published in works like "De-Schooling Society" by Ivan Illich that introduced the concept of the use of computer networks as switchboards for learning, in 1970.
