History. The United States established diplomatic relations with Latvia on July 28, 1922. The U.S. Legation in Riga was officially established on November 13, 1922, and served as the headquarters for U.S. representation in the Baltics during the interwar era. The Soviet invasion forced the closure of the legation on September 5, 1940, but Latvian representation in the United States has ...

Latvia-United States relations - Wikipedia

Latvians emigrating to places outside of Latvia, particularly en masse, is a relatively recent phenomenon, compared to many other countries. The system of serfdom in place while Latvia was a part of the Russian Empire (and prior to that under a myriad of other rulers) restricted the movements of the peasantry significantly, with permission required to move even to the neighbouring manorial estate.
